'*the deadly life of logistics by deborah cowen society*

May 23rd, 2020 - deborah cowen s the deadly life of logistics is the first of its kind an original imaginative and critical theorisation of the centrality of violence to the modern logistics business the book beautifully illuminates the conjuncture between capital accumulation and practices of security and securitisation on a global scale zooming down to specific places and moments to better illustrate the inner workings of this conjuncture"
