'customer reviews musicals the definitive
September 26th, 2019 - my first reaction on opening up
musicals the definitive illustrative story is that it is geous
and glittery with lots of color photos my second is that the
information it offers is often deficient as other reviewers
have noted it omits certain key Broadway musicals of recent
years or misleading which version of Kiss Me Kate does the
book discuss the 1950 Broadway show or the 1953 MGM'
