April 13th, 2020 - Cradled All the While is a beautifully crafted memoir in which the author recounts the story of her mother's death from cancer. In the midst of career and child rearing, Corse becomes her mother's primary caregiver, but her story is a spiritual journey that will nurture the faith of people of many religious backgrounds. The themes encountered throughout the book parallel the issues dealt with in 'Working People Talk about What They Do All Day and How'.

April 27th, 2020 - Working has been the book on my nightstand for over a year when I'm winding down after a long day, mulling over all the ways I've succeeded and failed. I've lived up to C. S. Lewis. I originally read Working haphazardly, looking for occupations or
