the terranauts by t c boyle summary and reviews

*June 3rd, 2020 - the book flap promises an epic story of science society sex and survival and though one expects a bit of hyperbole from a publisher s marketing department i couldn t help but wonder if the person writing that had read even a little of the novel as the terranauts is not in any way epic in fact it s the opposite it s a book of very small closely observed moments"***t c boyle s new novel taps the biosphere s erotic**
