'are biblical stories just retellings of ancient

June 1st, 2020 - it has long been suggested that stories in the bible are retellings of far more ancient accounts for example wood 2003 has drawn attention to the fact that there are remarkable similarities between the sumerian king list and accounts in genesis from descriptions of the great flood to the eight rulers who reigned before the flood and decreasing longevity of people after the flood'

'longevity myths

June 2nd, 2020 - longevity myths are traditions about long lived people generally supercentenarians either as individuals or groups of people and practices that have been believed to confer longevity but for which scientific evidence does not support the ages claimed or the reasons for the claims while literal interpretations of such myths may appear to indicate extraordinarily long lifespans many''
