May 5th, 2020 - James Gillies was the head of the CERN communications group until January 2016. He is one of CERN's official spokespersons. One woman's journey in physics: renowned theoretical physicist Mary K. Gaillard delivered a scientific seminar and presented her book *A Singularly Unfeminine Profession* at CERN News at CERN 30 May 2016.

'A singularly unfeminine profession not even wrong

June 5th, 2020 - phenomenologist Mary K. Gaillard has recently published an autobiographical memoir with the title *A Singularly Unfeminine Profession* and last week's *Nature* has a detailed review. Gaillard is a very distinguished HEP phenomenologist with a career that began in the 1960s, taking her in 1981 to a professorship at Berkeley from which she is now retired.'

'A singularly unfeminine profession: one woman's journey in

May 18th, 2020 - *A Singularly Unfeminine Profession: One Woman's Journey in Physics* by Mary K. Gaillard. You might think that an account of one woman's journey in physics from the 1970s onwards could be the literary equivalent of a trip through the Channel Tunnel: dark, anonymous, and rather short unless subjected to unforeseen delays." *Bibliography: 150 Years of Women at Berkeley*
