May 20th, 2020 - but if you want a better idea of the relative size of the world s landmasses you need a map that distorts shape but preserves area like the peters projection does gerardus mercator s original' 'peters world map liquisearch

May 7th, 2020 - gall peters projection peters world map in 1967 arno peters a filmmaker and historian devised a map projection identical to gall s orthographic projection and presented it in 1973 as a new invention of the technologically underdeveloped world lies near the equator these countries appear smaller on a mercator and therefore according to peters seem less significant" ***from mercator s to gall peters projections how the world***

May 22nd, 2020 - mercator's projection vis a vis gall peters projection for almost 500 years the mercator's projection has been the norm for maps of the world including apple and google maps it ubiquitously resides in atlases and has been widely used by students in schools gerardus mercator a renowned flemish cartographer devised his map in 1569

'peters world map peters planisphere original map
May 25th, 2020 - description gall peters world map
first conceived in the 19th century the gall peters
projection has the advantage of representing our
world in a more realistic way by maintaining the real
proportions between the sizes of continents which
is what the mercator map lacks that is why original
map considered it right to propose this projection
of the globe that constitutes the peters map"the
implications of mapmaking mercator vs peters the
May 22nd, 2020 - back to the wonderful impractical
world of swarthmore the peters projection is up on the
wall of the soc anth office for a reason the caption
beneath the map accuses the mercator projection of
intentionally enlarging northern areas where white
people live and shrinking continents such as africa to

diminish their importance'

'peters projection bates college

May 21st, 2020 - peters map conveys a distorted view of the world it is by no means a modern map and pletely fails to cover the manifold global economic and political relationships of our times 12 peters himself was depicted by many scholars as an oaf who had no justification 9bernie ashmore arno peters changed'

'gall peters projection
