review once upon a time in the west
slant magazine

May 31st, 2020 - s ergio leone made a
fistful of great films but none better
than 1968 s ode to the fading american
frontier once upon a time in the west
the film about four lives headed on a

collision course in a grimy ramshackle town of the western plains is set against the backdrop of the encroaching railroad which promises to bring civilization to this unruly harsh country'
