May 17th, 2020 - helps us to understand how hollywood
films shaped public consciousness about the past by
constructing a very specific ideologically charged
version of that past' 'bio pics how hollywood
constructed public history

May 17th, 2020 - bio pics is the first prehensive
study of a once important film genre the biographical
film using previously unavailable archival materials
from twentieth century fox warner bros mgm and rko
studios as well as censorship files from the
production code administration gee custen argues that
through these films hollywood manufactured a nearly
monochromatic view of history that was'

May 7th, 2020 - the biographical film or biopic is a
staple of film production in all major film
industries and yet within film studies its generic
aesthetic and cultural significance has remained
underexplored the biopic in contemporary film culture
fills this gap conceptualizing the biopic with a
particular eye toward the life of the genre
internationally new theoretical approaches bine with'
