autism spectrum

June 8th, 2020 - autism spectrum  
also known as autism spectrum  
disorder asd is a range of mental  
disorders of the neurodevelopmental  
type it includes autism and asperger  
syndrome individuals on the autistic  
spectrum often experience  
difficulties with social munication  
and interaction and may exhibit  
restricted repetitive patterns of  
behavior interests or activities"what  
are the main characteristics of  
asperger s syndrome

June 8th, 2020 - asperger s  
syndrome is similar to autism with  
one primary difference autism  
causes delays in language  
development whereas asperger s  
does not people with aspergers may  
have unusual speech patterns or  
may speak without inflection as  
though the emotional content is  
missing but their language skills are  
normal'

'how to be a good friend to someone
