May 1st, 2020 - One of an edition of 100 copies A masterpiece of book illustration by one of the

premier artists of the nineteenth century This copy of Lautrec s Histoires Naturelles is preserved in its original wrappers it has the book and the subtle lithographs in fresh original state' *'Histoires naturelles Jules Renard illustrated by Henri de Toulouse Lautrec*

October 25th, 2019 - Though today it is seen as one of the most celebrated and sought after of all livres d'artiste the book was received poorly when it was issued and did not sell out until 1917'

'Nature Stories by Jules Renard Goodreads Share
book

April 11th, 2020 - This new translation of Renard's Histoires naturelles is a treat. It is a collection of vignettes ranging from just a few words to a few pages and many read like prose poems that bring to mind Baudelaire's Paris Spleen. Indeed, Renard's little book could be read as a kind of the rural correlate to Baudelaire's urban vignettes.'
