switched on pop how popular music works and why it
May 17th, 2020 - switched on pop gives readers the tools
they need to interpret our modern soundtrack each chapter
investigates a different song and artist revealing musical
insights such as how a single melodic motif follows taylor
swift through every genre that she samples andr 3000 uses
metric manipulation to get listeners to shake it like a
polaroid picture or luis fonsi and daddy yankee create
harmonic ambiguity in despacito that mirrors the patterns of

global migration'
