the protestant ethic and the spirit of
capitalism sparknotes

June 7th, 2020 - max weber s the protestant
ethic and the spirit of capitalism is a
study of the relationship between the
ethics of ascetic protestantism and the
emergence of the spirit of modern
capitalism weber argues that the religious
ideas of groups such as the calvinists
played a role in creating the capitalistic
spirit weber first observes a correlation
between being protestant and being involved
