'book review the patient will see you now histalk

June 1st, 2020 - topol's new book 'The Patient Will See You Now' is an impressive, some might say undisciplined romp through the healthcare technology garden. However, it fails to live up to its title, which suggests that savvy, responsible patients armed with cool smartphone ECG devices and fitness trackers have quietly wrested control of healthcare from the government corporations and providers of eminence-based medicine that make up the plodding and oppressive medical establishment. 'The Patient Will See You Now: The Future of Medicine is in Your Hands' by Eric Topol

December 27th, 2016 - the book title 'The Patient Will See You Now' seems to be a play on the expression 'The Doctor Will See You Now'. In this book, Topol argues that power will shift from doctors to patients and he emphasizes the age of patient-centered medicine in which patients generate medical data using their own digital devices and communicating via their smartphones. 'The Patient Will See You Now' streaming audiobook by Santa

April 30th, 2020 - 'The Patient Will See You Now: The Future of Medicine is in Your Hands' streaming audiobook by Eric Topol. Eric Topol, one of the nation's top physicians, examines what he calls medicine's Gutenberg moment: much as the printing press liberated knowledge from the control of an elite class, new technology is poised to democratize medicine.' 'The Patient Will See You Now' quotes by Eric Topol

June 2nd, 2020 - 'The Patient Will See You Now' quotes showing 1/30 of 49: David Cutler wrote in MIT Technology Review, 'The single most unused person in health care is the patient.' Eric Topol, 'The Patient Will See You Now: The Future of Medicine is in Your Hands'
