'In what country did the term railroaded originate

April 28th, 2020 - The term railroaded in the sense of having something forced through either unjustly or without proper regard for those affected clearly has it s origins in analogy to the way early railroads were build often running straight through private lands and geographic features But the sources I ve found seem to all refer to this meaning as having a North American origin which seems odd since'

'Railroaded The Transcontinentals and the Making of Modern

April 27th, 2020 - Richard White questions the building of the transcontinentals and the men who headed these massive 19th century corporations Titans of the Gilded Age the transcontinentals proved to be extremely efficient at being inefficient
