white wolf art 1995 1999 on behance

June 2nd, 2020 - illustrations i did for white wolf game studio from 1994 to 1999'

'world of darkness gotham and beyond wiki fandom

April 14th, 2020 - the world of darkness or wod is the name given to three related but distinct fictional universes the first was conceived by mark rein hagen while the second was designed by several people at white wolf gaming studio which rein hagen helped to found the first two world of darkness settings have been used for several horror fiction themed role playing games that make use of the storytelling'

'could the midnight circus work in cofd onyx path forums

May 24th, 2020 - could the midnight circus work in cofd 02 29 2016 07 06 pm although there is a lot of stuff that i think the chronicles of darkness did better than the world of darkness dumping the ironclad caine was the first vampire origin story and clunky generation mechanics from masquerade for a start i will confess that there are certain aspects of the wod s lore that i like better'
