'Where has Japanese womens language gone Notes on

*April 16th, 2020 - Yet Azuma recognizes the otaku not so much as a demographic
group but as the prototype of Japan's postmodern subject for the way they consume
subcultural products He argues that the ?small narratives? the otaku generates*

around the character in her or his secondary creation in anime manga and puter games no longer aspire to be the allegory of or the path toward grand narratives'
