April 7th, 2020 - mirka is a 2000 drama film starring vanessa redgrave and gérard depardieu the international co production was

written and directed by algerian born filmmaker rachid benhadj although countries are unnamed several publications make reference to the film as a document of bosnian genocide it was released in italy on 10 march 2000 and received its international premiere at the thessaloniki'

'migration mobility and place in ancient italy by elena isayev

**April 8th, 2020 - migration
mobility and place in ancient italy
challenges prevailing conceptions
of a natural tie to the land and a
demographically settled world it
argues that much human mobility
in the last millennium bc was
ongoing and cyclical in particular
outside the military context the
foreigner in our midst was not
regarded as a problem"migration**
