the western tv tropes

May 31st, 2020 - any story set in the american west during the frontier era generally from about 1865 the end of the american civil war to 1890 the year the us

census bureau declared the frontier closed perhaps surprisingly the western genre is older than they think in fact it predates the classic western era it has its roots in the early 19th century novels of james fenimore cooper set in the then'
