'contemporary romance writers of the regency and victorian

May 10th, 2020 - jk i love the chivalry of the regency era the men in tall boots and ladies in beautiful gowns the balls and manners and restrained attraction it was a romantic time at least if you had money and even though i m writing fiction i love to do the research and anchor my stories on historical facts

customs and happenings of the time period"**regency history when is the regency era**

May 27th, 2020 - the regency era is by very definition related to the life of the regent it is characterised by the freedom and extravagance of gee iv pared with the ascetic lifestyle of his father although the regency is a mere nine years long i am inclined to think that the regency feel starts around the time that gee iv came of age in 1783 and continues until his death in 1830'
