relationship between
architecture and fashion
June 1st, 2020 - the close
relationship between
architecture and fashion
hereafter a amp f is often
referred to the use of the
same material for covering
of his body and for building
shelter of the earliest man
the recent exhibition on this
relationship skin bones 24
april 10 august 2008 has also
explored several parallel
practices between these two
disciplines from 1980s to
onwards"*hidden in plain
sight architectures of munity*
April 23rd, 2020 - by

*analysing photographs of such offices i argue that not only do the building features help maintain munity corrections as a public secret but they also keep the systems secret from the public i also argue that keeping the offices intentionally obscured may also impact how those under supervision are viewed by the general public"***corrections and collections 1st edition 9780415534826**
