'dreaming of dior every dress tells a story walmart

**May 23rd, 2020 - instead every page features a very
rough loosely drawn rendering and a super short bit of
random information sometimes the info text is a short
story or personal snippet about the dress and or its
former mistress but most of the time it either gives just
enough information to make it infuriating that is stops
there or more often is something that is utterly random
and does not seem to'**
