'how to get out of your head and stop overthinking everything

June 6th, 2020 - but there s your power it s your choice you decide which thoughts you pay attention to because thoughts e and go all the time and that s normal if you re able to observe the

fact that you re
overthinking then you re
already noticing the
separation of you and your
mind it really is that
simple'

'it s not all in your head
how worrying about your
health

March 30th, 2020 - with
chronic illness patients the
problem is the pain not
worrying over the pain
addressing the worry won t
help the pain because the
worry is not the problem it
is the response to the pain
the worry is there for a

reason so that people will do something about the pain and make it go away more'

'kut two guys on your head why it s so hard not to June 2nd, 2020 - on this edition of two guys on your head dr art markman and dr bob d show kut two guys on your head ep why it s so hard not to touch your face mar 14 2020 the cdc is remending that to avoid spreading the coronavirus we wash our hands often and don t touch our face'
