dome of the rock holy grail symbolism desenmascarando

May 17th, 2020 - although i haven t read the book yet i flipped through it and came across a map showing the distance from the dome of the rock in jerusalem to the kaaba in mecca measures 666 nautical miles it is essential to verify seemingly outrageous claims such as these so i fired up google earth and used the ruler tool to measure a line from the dome of the rock to the kaaba center to center'
