---

one of the strangest and most beautiful art books ever made this visual encyclopedia of an unknown world written in an unknown language has fueled much debate over its meaning'

**'an introduction to the codex seraphinianus the strangest**  
**May 19th, 2020 - it must mean something fans of the codex have insisted since the book s appearance in 1981 it shares many similarities with the voynich manuscript highlighted on our site last week save its relatively recent vintage and living author both the seraphinianus and the voynich seem to be pendiums of an otherworldly natural science and art and both are written in a wholly invented'**

**'customer reviews codex seraphinianus**

May 25th, 2020 - the book is certainly not the kind of thing you would show to a child in summary it is an outstanding work of art and clearly a huge effort went into it an extremely unique book i d remend it to collectors looking for that unusual book that no one else has but it is very shallow'

**'codex seraphinianus a new edition of the strangest book**

May 21st, 2020 - in october rizzoli will be republishing what is regarded by many to be the strangest book in the world the codex seraphinianus the codex is unlike other historically well known strange books such as the voynich manuscript in that the author of the book is not only known luigi serafini is his name he s still alive but the book is just so damned strange that it has accumulated a'
