'infrastructure a field guide to the industrial landscape
April 19th, 2020 - subtitled a field guide to the industrial landscape the
book is laid out like a nature guide with prehensive details and
photographs on every page there can be just as much of interest happening
on a factory rooftop as there is in the forest canopy just as much to
marvel at in the operation of a strip mining dragline as in the geological
carving of a river canyon writes hayes'
