Krygor s Hope is

probably my

favorite book in

the Braxians Series

This is the third

book and it can be

read as a

*standalone but I
remend starting
with the first one
Anton s Grace to
get the best story
When Hope s husband
sells her as a
pleasure worker
after he s done
with her Hope ends
up an indentured
servant on a space
station'*

Another incredible
book written by
author Regine Abel
The Veredian
Chronicles is one
of my favorite Sci
fi series and I
always look forward
to the next story
Hands of Fate is
the fifth book in
the series and even
though each book
focuses on a

different couple I
remend reading the
series from the
beginning'

the second book in

series by Regine
Abel and a plete
standalone I have
not read the first
book in the series
and was able to

Even though the
story is set in a

deals with
realistic issues of

prestige'
