May 9th, 2020 - punk masters green day released their studio album uno in 2012 this album is part of a trilogy of records that came out that same year while i have never been the biggest green day fan admittedly this album really caught me by surprise and turned out to be really enjoyable''tré green day songs reviews credits allmusic

May 21st, 2020 - arriving earlier than expected but last as planned green day s third album of 2012 concludes their pop punk trilogy not on a triumphant note but on one of confusion green day s blueprints for 2012 and beyond may have been trashed by billie joe armstrong s unexpected entry into rehab but that doesn t alter the albums themselves which aren t necessarily a carefully constructed trilogy but''green day uno album review 12 sputnikmusic

May 16th, 2020 - green day uno review uno 5 album rating 1 0 sound off i think our dear billie probably turned himself into rehab because of releasing an album as atrocious as uno not something as paratively innocuous as substance abuse''uno green day songs reviews credits allmusic

May 25th, 2020 - green day s new millennium elevation to very important band is so plete that when they decided to return to their frivolous punk roots they couldn t do it in a small way they started to knock out a bunch of garage punk tunes and wound up with not one but three collections of punk pop a trilogy entitled uno dos tré each released within a couple months of one another'
