May 24th, 2020 - Kjell Ola Dahl was born in Norway in 1958 and lives with his wife and children in Askim near Oslo. His first novel, *Dodens mer investeringer* (Deadly Investments), was published in Norway in 1993. The fourth man was the first of his Oslo Detectives mysteries to be published in English. This was followed by *The Man in the Window* and *The Last Fix*. 'Lethality

May 19th, 2020 - Lethality, also called deadliness or perniciousness, is how capable something is of causing death. Most often it is used when referring to chemical weapons, biological weapons, or their toxic chemical components. The use of this term denotes the ability of these weapons to kill, but also the possibility that they may not kill.'
