**June 5th, 2020 - melanie klein née reizes 30 march 1882 22 september
1960 was an austrian british author and psychoanalyst known for her
work in child analysis she was the primary figure in the development
of object relations theory klein suggested that pre verbal existential
anxiety in infancy catalyzed the formation of the unconscious
resulting in the unconscious splitting of the world into good"the
psychic life of fragments splitting from ferenczi to**

**March 1st, 2020 - the present paper starts from the reflection that
there is a curious phenomenological gap in psychoanalysis when it es
to processes of splitting and to describing the life of psychic
fragments resulting from processes of splitting in simpler terms we
are often in a position to lack a precise understanding of what is
being split and how the splitting occurs'**
