June 4th, 2020 - in his book levers of control how managers

use innovative control systems to drive strategic renewal 1995

robert simons introduced a framework giving managers in

large panies a tool to manage the tension between value

creation and control managing and measuring value the four

levers are core values controlled by belief systems such as

mission statements vision statements'

'levers of control in interorganisational relationships

May 22nd, 2020 - apply the full potential of loc to the ior it

presents an innovative way to look at the control problem in

ior although it lacks a sound operationalization of the

variables and it does not present empirical evidence we aim to

make a contribution with empirical evidence of the use of

levers of control'
