May 18th, 2020 - the art  
of deus ex universe is  
a fantastic collection of  
artwork that is not only  
beautiful to look at but  
is a great read the  
snippets of insight into  
how the studio put  
together of the artwork  
is truly overwhelming  
and the thinking  
behind how an object  
should be designed is  
quiet surprising who  
would have thought  
such in depth  
industrial design  
would go into creating  
in game weapons'
