June 5th, 2020 - *coraline by neil gaiman is a weird and delightfully scary fairy tale ghost story i call it delightfully scary because while it grips the reader s attention with creepy happenings that may cause a case of the shivers it is not the kind of scary book that leads to nightmares of the it could happen to me kind''movies based on roald dahl books liveabout*

June 4th, 2020 - *roald dahl s numerous chapter books for children have inspired kids for years and they have also inspired a ton of movies the most famous of dahl s books is probably charlie and the chocolate factory although many of his books have bee best sellers a movie party is a great motivator to get reluctant readers to dive into a book so it s great when there are good movies based on books'*
