## **candid a**

*June 4th, 2020 - and one cannot miss the irony of the battle against censorship on free speech and expression then and the fact that very little has changed even today for a film that is based on the life of a courageous writer of possibly the most significant years of our country it was essential that the dialogues were as hard hitting as the man in question'*

## **'american pragmatism philosophy talk**

**June 4th, 2020 - like any philosophical ism pragmatism lends itself to easily refuted straw man characterizations and in any case no doubt there are inferior short sighted self serving hard nosed unprincipled forms of pragmatism but the various views of peirce james dewey mead and others are more sophisticated than one might think after reviewing such shallow characterizations"high noon at the american academy the federal observer**

June 2nd, 2020 - their philosophical bearings are historicist believing the current inequitable capitalist system has lulled the uninitiated into a false consciousness they themselves by contrast are woke to the needs of an evolving humanity that will occupy a new and better society including occupying and transforming the symbolic center of the capitalist evil wall street'

## **'talk john searle archive 2**

**October 15th, 2019 - if john searle s role in the berkeley free speech movement is to be mentioned and you and others have convinced me that his participation in this debate about american higher education is important enough to be included in the lede notwithstanding the fact that it is his philosophical writings which are what primarily interests people outside the usa it is important it should be a"from the minds of babies philosophy talk**

June 5th, 2020 - from the minds of babies es the words gaga gugu which i find as intellectual as the words quarks leptons and bozons and the speed of light the occupation of others countries and the promise of change angels devils heaven and hell and the gods all ing from our most learned scientists politicians and clergymen mja"pdf self censorship researchgate
