### **coc Projects**

April 6th, 2020 - I believe it s two different guys one started from the beginning and is skipping any volumes Cinebook translated and the other started with the more recent stuff where the series shifted to longer adventure stories from one page gags'

### **'Biomimetic information retrieval with spreading activation**

*April 1st, 2020 - Information management systems act as a prosthetic scaffold for human memory They retain and anize information objects to be conveniently recalled in support of knowledge based tasks We note a striking similarity between the functions of human memory and the processes in putational information retrieval For this reason we ask whether it is viable to purposely design information'*

### **'Demonstration of Remedial Action Technologies for**

**April 19th, 2020 - Sample preparation  
All crushing must be excluded but certain wastes are of a dimension that special standard samples must be made either by moulding solidified waste or by cutting out bulk waste In the case of bulk waste of dimensions smaller than the chosen standard sample a standard volume was considered'**
