**'the sámi peoples of the
north a social and
cultural**

June 1st, 2020 - a very
interesting work
although it seems to me
more intended for the
academic rather than the
general reader the
author who is fluent in
the nordic languages has
bed through primary
source materials and
uses them to outline the
history of the sami
lands and peoples'

**'origin and genetic
background of the sámi**

June 4th, 2020 - the genetic origin of the sámi people is plex and difficult to trace their beginnings are closely linked with the origin of the finns both groups speak a finno ugric language that causes them to be singled out among their indo european neighbors and associated historically with each other''**the sámi peoples of the north a social walmart**
