May 29th, 2020 - it begins with coverage of ships from before the time of hms dreadnought like the monitor the great white fleet and covers the hms dreadnought and the ships immediately following it then it covers the battle of jutland pretty well and the effect of the washington naval treaty had on the number and size of the battleships'
'windjammer

May 30th, 2020 - the word windjammer has a variety of associations both nautical and not in the late 19th century the term was pejorative as used by sailors aboard steamships in 1892 rudder magazine said in a story the deck hands on the liners contemptuously refer to sailing vessels as wind jammers in 1917 the american dialect society recorded
