'factfulness ten reasons we re wrong internet archive

June 2nd, 2020 - factfulness the stress reducing habit of only carrying opinions for which you have strong supporting facts when asked simple questions about global trends what percentage of the world s population live in poverty why the world s population is increasing how many girls finish school we systematically get the answers wrong'

'factfulness ten reasons we re wrong about the world and

June 2nd, 2020 - factfulness is a good summary about the current status of the world and gives you a framework to understand that current state it is not about trying to convince people that a gap does not exist but shows that most people s understanding of the gap is many decades out of date and that harms efforts to help'
