'citizenship in modern britain on jstor

June 4th, 2020 - any examination of the development of citizenship in modern Britain must place the work of T. H. Marshall at or close to its centre. There are several important reasons for this. First, through his analysis of citizenship, Marshall has to be acknowledged as doing up with that rare thing, namely a truly original theoretical standpoint from which to understand a social phenomenon. Mann 1987'
