'Model art Wikipedia July 14th, 2018 - An art model poses for any visual artist as part of the creative process providing a visual reference for the human figure in a work of art However more than being simply the subject of art models are often thought of as muses a source of inspiration without whom the art would not exist'

'Quickposes pose library for figure amp gesture drawing practice

July 13th, 2018 - Quickposes is a tool for art students illustrators or anyone who wants to focus on improving their drawing skills By practicing gesture drawing you will not only get better at recognizing certain aspects of poses but you will also build a visual library of characters and models'

'Life modelling and now for the nudes Art and design April 7th, 2009 - Posing for long periods of time models can be asked to hold standing poses for up to an hour and seated positions for much longer can be painful But for McCarthy draughty studios are a bigger problem One artist she posed for last year expected her to stand for

three hours in a cold room with just one small blow heater McCarthy has low'
