'customer reviews sniper one the blistering
April 23rd, 2020 - the book written by a british
army sniper in iraq is a true account of the small
unit tactics and actions of a sniper unit the
sidelights of working with both american ngo s and
their attendant armed men is a very good read and
points out the problems associated with a group
that is trained to take out an enemy at 1000
meters and a group that is attempting to quell the
disturbance via political action'
