**'playlists for pups the best songs  
the dogington post**

May 19th, 2020 - but we did a  
experiment and the dogs seem to be  
calmer with country music i am  
thinking that in general country  
doesn t have a lot of high pitched  
sounds and does have recognizable  
mon type of beat we ve tried this

---

---

for over a year and it seems to work  
i am wondering in music research  
did the experiments include country  
i am'

*'will leaving the radio on really  
help my puppy when i m at  
May 14th, 2020 - it helped alot with  
my dog as he felt like there was  
someone around but it didn t work  
all the time he still barked etc but  
what worked amazing was i  
recorded myself reading a book not  
the whole book but like a chapter or  
just a simple story and then i  
replayed it over and over again  
when i was at work it made him feel*

---

---

*like i was there and i left a shirt  
with my smell on it so it helped'*

**'do dogs respond to music canidae**

**May 23rd, 2020 - the music you  
choose to play for your dog might  
work the same way calming  
music played for a dog in a new  
surrounding can help them adjust  
by helping them to relax if there  
is a stressful situation such as  
holiday fireworks large parties or  
other loud noises playing calming  
music can help your dog cope  
with the jarring stimulation and  
keep her more relaxed and  
distracted'**

**'what type of music does your dog**

---

---

## **prefer dogtopia**

May 22nd, 2020 - studies have shown that classical music has a calming effect for dogs pared to faster paced heavy metal music which may agitate pups or regular pop music which appears to have no effect on dogs keep in mind that a dog s musical appreciation may also be breed related'

## **'does music actually soothe pets petplace**

**May 22nd, 2020 - cats will relax in front of the speakers when classical music is playing and dogs will actually bark less**

---

---

**especially when listening to the music of bach amazing our pets respond favorably to classical music under stress inducing situations often slipping into a very serene and peaceful state of mind after only a few minutes of listening'**
